

AMBIDA

FOLDING ARM AWNING
ENTERTAINER

ENTERTAINER

The Entertainer is an elegant full cassette awning offering style and versatility alongside the latest design features, using high quality Australian manufacturing,

Suitable for wider widths the Entertainer can be joined together to achieve a maximum width of 14m whilst maintaining its sleek full cassette and offers great flexibility in installation.

Tailor made to compliment any home or commercial property the Entertainer delivers a flexible shading solution while creating an atmosphere of sophistication thanks to the option of LED lighting along the arms.

LED lighting is standard with the Entertainer Awning. Create an atmosphere of sophistication and extend your entertaining well into the night thanks to the option of LED lighting in the arms of the Entertainer Awning.

Operation

Our folding arm awnings feature an electric, remote controlled operation as standard. Electronic operation allows you to take advantage of our CleverAwning options using smart technology and helps you get more use from your awning – opening and closing at the touch of a button, and protecting the awning by allowing automatic closing in windy conditions.
