FOLDING ARM AWNING
FREEDOM

FREEDOM

Featuring stylish European design and high quality Australian manufacturing, the Freedom is a beautiful full cassette folding arm awning - perfect for the Australian climate and lifestyle.

Providing the very best in protection for your awning the full cassette completely encloses the fabric roll and arms leaving a stylish addition to a home or business.

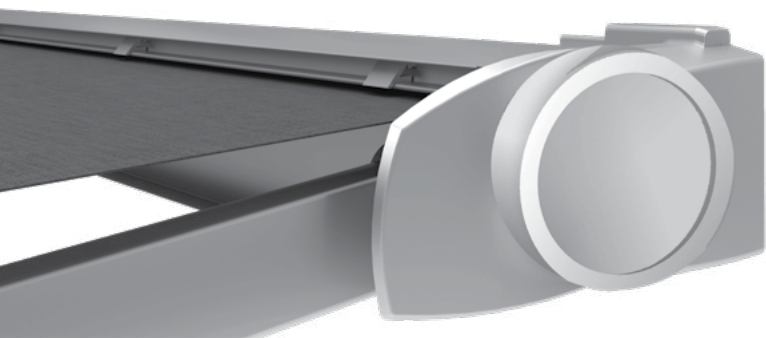

LED lighting is standard with the Freedom Awning. Create an atmosphere of sophistication and extend your entertaining well into the night thanks to the option of LED lighting in the arms of the Freedom Awning.

Operation

Our folding arm awnings feature an electric, remote controlled operation as standard. Electronic operation allows you to take advantage of our CleverAwning options using smart technology and helps you get more use from your awning - opening and closing at the touch of a button, and protecting the awning by allowing automatic closing in windy conditions.

Some of our awnings may be available as a manual (crank) operation if required however this is not recommended.
